

A close-up photograph of a glass bottle with a wooden cork stopper, partially filled with a dark liquid. The bottle is resting on a wooden surface, possibly a barrel or a tray. The lighting is dramatic, highlighting the glass and the wood.

PREMIUM BOTTLES.
PREMIUM CLOSURES.

STOELZLE GLASS GROUP

THE STOELZLE GLASS GROUP IS A FAMILY-RUN COMPANY WITH SIX EUROPEAN AND ONE US PRODUCTION PLANTS.

The Group has been producing high-quality glass packaging for the spirits, pharmaceutical, perfumery & cosmetics and food & beverage sectors for more than 200 years. Stoelzle provides expertise in the areas of product development, production, decoration to the delivery of closures.

Our Group spans a variety of languages and time zones, with spirits sales and manufacturing teams based in Austria, France, United Kingdom, United States, Italy, Poland and continuously expanding.

ONE STOP, ENDLESS SOLUTIONS.

What sets Stoelzle Glass Group apart from the rest is our commitment to quality service. As glass experts, we have become accustomed to guiding all stages of the glass bottle production process. Having cultivated relationships with top caps and closure producers, Stoelzle additionally provides a holistic, cost-competitive, customer-centric approach that is unparalleled.

THE RIGHT BOTTLE CLOSURE EXENTUATES BRAND IMAGE & OFFERS VERSITILE FUNCTIONALITY.

It serves as a security seal for the first opening, protects the contents and ensures easy handling when opening and trouble-free re-closing. All closures and caps are customized to every product, freely selectable in shape and type. With the suitable neck finish, we ensure that the desired closure harmonizes with the packaging, protecting the product as best as possible.

CAPS, CLOSURES, AND MUCH MORE
FROM OUR EXPERTS

Stoelzle guarantees timely results from the drawing to actual decorated samples. Our expertise allows us to offer the most cost-effective and appealing item for individual customer needs. Stoelzle experts in design, decoration, engineering and production develop an average of 250 new products per year.

As a one-stop-shop, Stoelzle supplies a broad range of closures and caps for almost all our stock and customized items. We assist customers in finding the most suitable closure for specific products and also offer advice on safety and functionality.

**STOELZLE CUSTOMIZES
ALL CLOSURES.**

In addition to our broad range of stock closures, Stoelzle experts can guide you on a customized cap or closure for your unique product.

All closures and caps are freely selectable in shape and type. With the suitable neck finish, we ensure that the desired closure harmonizes with the packaging, forms a perfect unit and protects the product as best as possible.

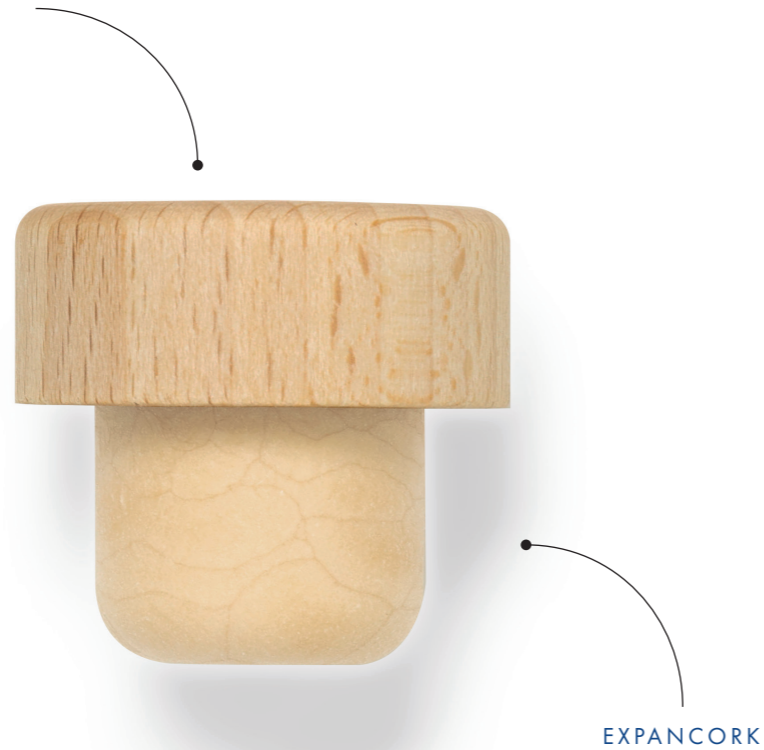

WOOD

The right closure for your product is available with the support of Stoelzle expert guidance.

Customers can select from six products as part of the T-SHAPE WOOD family, ready in stock* and guaranteed quality and reliability. These articles are available in two standard sizes and in three different colors: natural wood, brown and black, which are adaptable to the two most common bottle mouths on the market.

Assembly is made with NGS (No Glue System) technology, meaning that no glue is used and a perfect seal is ensured.

BEECH WOOD

EXPANCORK

*The offer is limited while stock lasts and according to the materials supply process.

We propose an ideal closure standard for all our items with Expancork stem.

STOELZLE SPIRITS

ROPP, SECURITY CAPS AND CAPSULE CLOSURES

Our spirits customers can access just about anything existing on the market and compatible with our glass bottles. In addition to our broad range of stock closures, Stoelzle experts can guide you on ROPP, security caps, and capsules for your products.

DURABLE SECURITY CAPS

Security Caps are an ideal solution for closures needing an ultra secure closure, generally for non-refillable products. Our Stoelzle experts can guide customers on the best possible solutions for secure closure fittings.

FLEXIBLE CAPSULES

Capsule closures are the perfect combination of materials and craftsmanship, made from the purest tin and aluminum. Depending on the design and desired look, these closures can be customized to tin, aluminum, aluminum PE, alucap, polycap, thermocap and sparkling wine-style finishes. Capsules are ideal for a sophisticated closure for your bottles.

THE STRENGTH OF ROLL ON PILFER PROOF CAPS

Roll on Pilfer Proof Caps are closures made of aluminum. The benefits of ROPP Caps include the sealing process, providing tamper evident security, as well as being lightweight and durable.
